A proven stud bull. He was the South African Reserve Junior Champion Bull - 2017. A medium frame JL05-119 son with width, depth, quality, masculinity and balance. He has a very good sheath and probably the last son of JL05-119 that is going on sale. He is a bull with soft muscling and very good EBV's, especially for milk and birth weight. A special bull that will make an impact in any herd.
